

LARGE PRINT CONSORTIUM PROGRAM

Library Survey

This survey will be used to determine how many libraries are interested in participating in the Large Print Consortium Program. Please answer each question as accurately as you can. From these responses the State Library will be able to determine the number of libraries per consortium based on the number of large print books requested. A Memorandum of Understanding will then be sent to those libraries who respond. Please provide any additional information or comments on the back of this survey.
